DECISION ON PETITION
TO WITHDRAW HOLDING OF
ABANDONMENT

This is a decision on the Petition for Withdrawal of Abandonment pursuant to MPEP §711.03(c)(II) and 37 C.F.R. § 1.181(a), filed October 13, 2005. No fee is required.

This application was held as abandoned for failure to timely respond to the non-final Office action mailed on January 5, 2005. A Notice of Abandonment was mailed October 4, 2005.

Petitioner alleges that the non-final Office action was not received.

A review of the application reveals that Applicant's copy of the Office action had been returned to the Office as not deliverable as addressed, unable to forward, return to sender.

Accordingly, it is evident that Applicants did not receive a copy of the non-final Office action. Given the apparent change of address, this petition is being granted under 37 C.F.R. § 1.181(a) given the evidence of the returned action having been matched with the application.

Applicant is reminded of the obligation to *promptly* inform the Office for all future changes of correspondence address.

The petition is **GRANTED**. The Notice of Abandonment is vacated and the holding of abandonment is withdrawn.

The application file is being forwarded to the TC2600's Technical Support Staff for remailing of the Office action.
